Permission to share medical information

In order to keep your daughter as safe as possible, it is the School's intention to share details of any allergies or medical conditions with members of staff. Under the GDPR regulations and Data Protection Act 2018 this information is now termed *sensitive personal data* and specific permission is required to share such data. Please provide approval to allow us to share your daughter's sensitive personal data with School staff:

(*Please delete)

I give/do not give* approval to share my daughter's medical /allergy information with relevant School staff for School trips.

I give/do not give* approval for my daughter's dietary conditions to be shared with relevant School staff including kitchen staff.

I give/do not give* approval for my daughter's photograph alongside a brief medical summary to be displayed in the staff room, to which only staff members have access.

Signature of both parents:
